

A journey of a thousand miles begins with a single step.

What made you decide to take this program?

I always liked to work around machinery and enjoyed working with my hands. I was also interested in making and repairing machine parts.

Where are you working today?

Gaspé Machine Works

How has completing your DEP changed your life?

I was able to find a job right away and was able to stay in my hometown. I am very happy with the job and the salary is good.
