

# Tired of Being Behind With Computer Technology?

Consider the Computing Support program at the  
Anchor Adult and Vocational Education Center!

**Now available online through Distance Education**

Would you like to acquire the training to become a Computer Technician, Web or User Support Technician or Technical Sales Specialist? Eastern Shores School Board will be offering the Vocational Studies program: Computing Support (should numbers warrant) in January 2012.

This program will now be available online through Distance Education. Living outside our area is no longer a problem in order to enroll in this program. All classes will be available online and all materials necessary will be sent directly to you.

You could also be admissible for funding from the Ministry of Education's Loans and Bursaries program or a training program from Emploi-Quebec. Should you be interested in registering or would like more information, please contact Debbie Adams at (418) 368-3376.

**By 2014 over 7,500 jobs will be  
available in the I.T. field, in  
Quebec alone!**

**We are looking forward to helping you reach your career goals!**
